U.S. Senator	Ron Johnson	255	255	* An absentee voter marked their ballot by filling in the circle for Peng Her. They then crossed out/blacked out the candidate space for Peng Her completely and wrote next to the space "WRONG." They then filled in the circle for Sara Rodriguez. The tabulator counted this as an overvote. Election Inspectors reviewed the ballot and determined that voter intent was the voter wanted to vote for Sara. The results tape needs to be adjusted to reflect an additional voter for Sara.

U.S. Congress	David W Kunelius II	41	41				
	Tom Tiffany	244	244
