

**Alphabetic List of Roads with Pick-up Locations Identified**

*last updated 01-24-24 (may be subject to change)*

Road Names are listed in Alphabetic Order. Blue Roads are Private Roads. Green Roads are Public Roads. **Changes for 01-24-24 are in red.**

Each road name is listed and the pick-up location is identified for each road. Note: some bins will need to be brought to interesections -- they can be kept at the intersection if someone is willing to keep the bin clear from snow during the winter season.

In an effort to keep refuse collections costs down, we are asking residents to share carts. Each 96-gallon container can hold approximately 10 to 12 13-gallon bags of garbage.

All green "Florence" bins belong to the Town of Florence. Once the bin is brought out to the road, garbage must be in bags and may be brought from other locations if bins are full.

If your road name is not listed or your bin location is full, please find the nearest green bins on a public road to place your garbage in.

Please note that this is a work in progress - switching to automated Garbage Collection, so please be patient with us as we figure out the details.

**ADAMS LN**

***Pick-up Location: Interection of Adams Ln & Twin Falls Rd***

***Side fo Road: corner by Park***

626 | ADAMS LN

628 | ADAMS LN

**B&B RIVER LN**

**Pick-up Location: Bins will be at the intersection of Woods Rd & River Forest Rd.  
Placed on the north side of intersection.**
